

Руководство по подаче заявок на Портале открытого спроса на товары (материалы) НКОК

Ред. 0 от 27/04/22

**ДЛЯ ОБЩЕГО
ПОЛЬЗОВАНИЯ**

Для доступа к информации на Портале открытого спроса на товары (материалы) НКОК, пожалуйста, перейдите по **ссылке**, представленной в нижней части главной страницы онлайн-кабинета для Поставщиков.

The screenshot shows the top navigation bar with links for Main, FAQ (Frequently asked questions), English, Register supplier, and Login. The main content area is titled "Dear Vendor!" and includes a welcome message, a list of instructions, and links for registration and login. A red box highlights the link "please click here" in the text "To review NCOC Demand for Goods (Materials) please click here."

Dear Vendor!

Welcome to the Online Vendor Cabinet!

Please note the following:

- Vendor profile shall be 100% completed in order to proceed with submission
- Further communication may follow to clarify additional questions, validate, update or append information in your profile
- You are accountable and responsible to keep your profile up to date
- NCOC can periodically remind to keep your profile updated, since you are responsible to keep information up to date

Completion of Online Pre-Qualification profile DOES NOT GUARANTEE initiation of the pre-qualification process as well as invitation to tenders.

Pre-Qualification review and assessment will be initiated upon NCOC business need and interest in goods and services of your organization indicated in your profile!

Please select one of the options to proceed.

- [Login](#) – if the Vendor is already registered and would like to fill in the profile.
- [Register](#) – if the Vendor is not registered.

If you have any questions please see [FAQ page \(frequently asked questions\)](#) or contact us via allvqmi@ncoc.kz

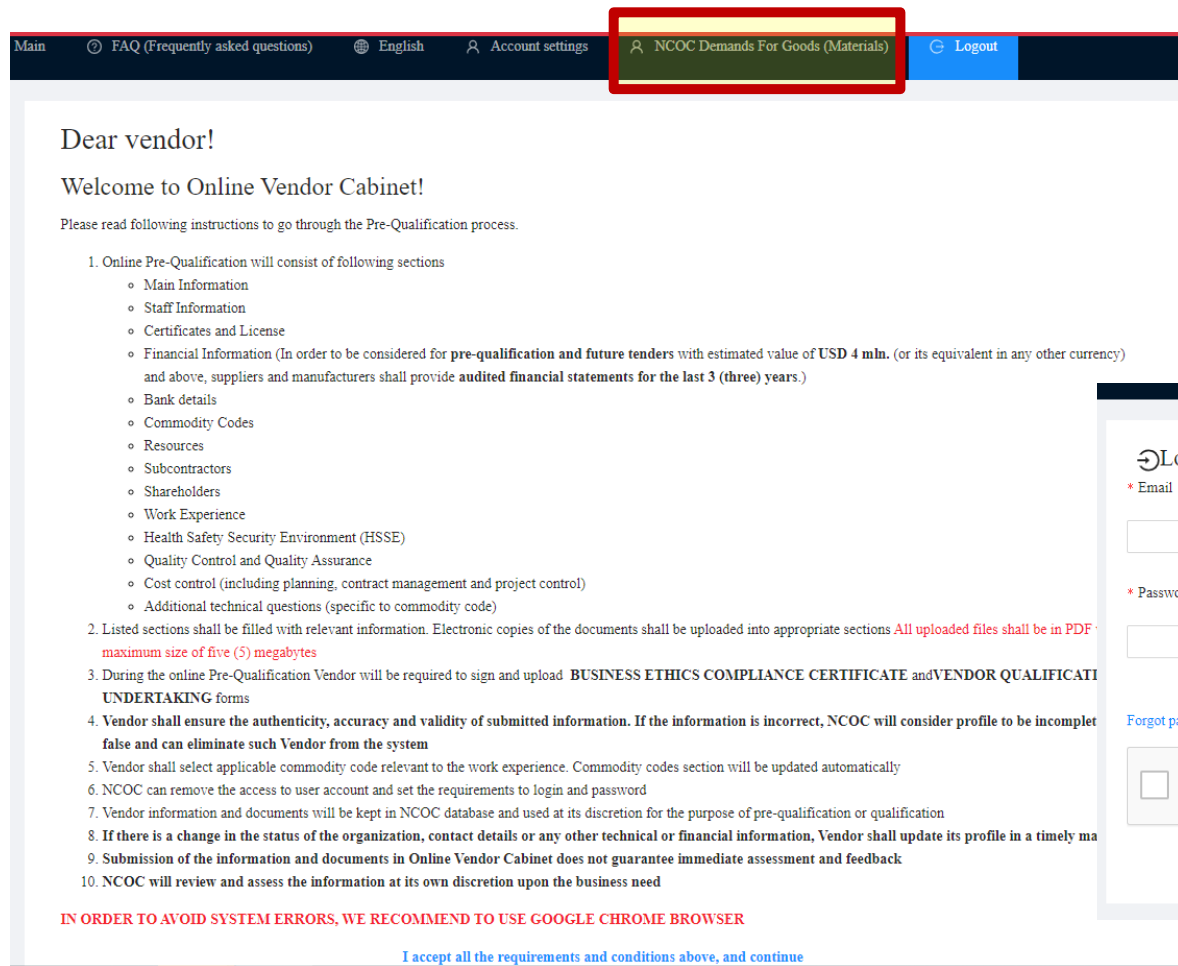

IN ORDER TO AVOID SYSTEM ERRORS, WE RECOMMEND TO USE GOOGLE CHROME BROWSER

To download presentation on [registration](#) and [online form](#) please [click here](#)

To review [NCOC Demand for Goods \(Materials\)](#) please [click here](#).

Important to note: in order to provide information to NCOC on specific procurement item that you are interested in, your registration profile must be 100% completed

После страницы авторизации вы увидите приветственное сообщение. Нужно нажать на кнопку «NCOC Open Demand for Goods» (Портал открытого спроса на товары) в верхней части страницы, чтобы получить доступ к информации.

Main [FAQ \(Frequently asked questions\)](#) [English](#) [Account settings](#) [NCOC Demands For Goods \(Materials\)](#) [Logout](#)

Dear vendor!

Welcome to Online Vendor Cabinet!

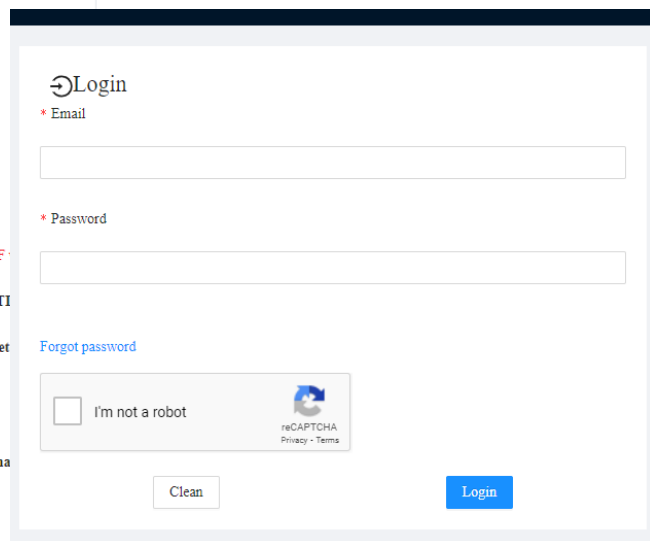

Please read following instructions to go through the Pre-Qualification process.

- Online Pre-Qualification will consist of following sections
 - Main Information
 - Staff Information
 - Certificates and License
 - Financial Information (In order to be considered for pre-qualification and future tenders with estimated value of USD 4 mln. (or its equivalent in any other currency) and above, suppliers and manufacturers shall provide audited financial statements for the last 3 (three) years.)
 - Bank details
 - Commodity Codes
 - Resources
 - Subcontractors
 - Shareholders
 - Work Experience
 - Health Safety Security Environment (HSSE)
 - Quality Control and Quality Assurance
 - Cost control (including planning, contract management and project control)
 - Additional technical questions (specific to commodity code)
- Listed sections shall be filled with relevant information. Electronic copies of the documents shall be uploaded into appropriate sections **All uploaded files shall be in PDF - maximum size of five (5) megabytes**
- During the online Pre-Qualification Vendor will be required to sign and upload **BUSINESS ETHICS COMPLIANCE CERTIFICATE** and **VENDOR QUALIFICATION UNDERTAKING** forms
- Vendor shall ensure the authenticity, accuracy and validity of submitted information. If the information is incorrect, NCOC will consider profile to be incomplete and can eliminate such Vendor from the system
- Vendor shall select applicable commodity code relevant to the work experience. Commodity codes section will be updated automatically
- NCOC can remove the access to user account and set the requirements to login and password
- Vendor information and documents will be kept in NCOC database and used at its discretion for the purpose of pre-qualification or qualification
- If there is a change in the status of the organization, contact details or any other technical or financial information, Vendor shall update its profile in a timely manner
- Submission of the information and documents in Online Vendor Cabinet does not guarantee immediate assessment and feedback
- NCOC will review and assess the information at its own discretion upon the business need

IN ORDER TO AVOID SYSTEM ERRORS, WE RECOMMEND TO USE GOOGLE CHROME BROWSER

Main FAQ (Frequently asked questions) English Account settings NCOC Demand For Goods (Materials) Logout

I can supply

i Dear Vendor!

The information published on this page represents data on supply of urgently required goods for North Caspian Operating Company N.V. (NCOC N.V.). Please consider it as REQUEST FOR INFORMATION only for the purposes of understanding the current Supply Market as well as specific goods delivery timeline that your organization can provide. Please note that this survey does not imply any commitment from North Caspian Operating Company N.V. on further invitation to tenders or placement of orders.

Please review the list of goods by pressing the button “View and Apply for NCOC Open Demand” and, in case your organization can supply any of these goods, please press the button “I can supply” against such line and fill in the required information. You can use filters at the top of this list to search by type of products that your organization is specialized on or by Manufacturer name which your organization is familiar with. Please note that the published information on specific goods will be visible within 5 days from the date of its uploading on this page. Thereafter the positions will be automatically closed by the system. Please kindly do not expect to receive any response for the information submitted to NCOC N.V. on this page due to the extensive number of potential suppliers. However, the provided information will be evaluated and your organization will be considered for an eventual invitation to provide a quotation in accordance with the NCOC N.V.’s Contracting & Procurement procedures. Please note that no commercial information (relative to prices) can be provided using this source. In case of any commercial information submission, your organization will not be considered for further evaluation for supply of relevant goods.

Once you identify the NCOC Demand line items that you can supply and fill in the information on supply (number of days, delivery term, etc.), please press the button “Send to NCOC” to finalize the process and submit your information to NCOC. Please note that you will be able to press this button only after filling in all the information in your profile on your organization and reach 100%.

In case your organization submitted information for more than 20 different line items published on this page and has not been invited to any Request for Quotation, you can contact us at the following e-mail address enclosing full list of such line items with provided information in excel format: Automated.Market.Screening@ncoc.kz.

Full list of line items which your organization has applied for up to now can be downloaded via pressing the button “Download Submitted Information” below.

Thank you for your interest!

Comments

В следующем окне требуется ввести данные по поставке определенного материала, который ваша организация может предложить НКОК.

Вам нужно заполнить следующие поля:

- **Delivery time in days (Срок доставки в днях)** - в этом поле допускается только ввод чисел;
- **Delivery terms (Условия доставки)** - вы можете выбрать один из четырех видов доставки груза согласно условиям Инкотермс из выпадающего списка. Учтите, что Поставщики, зарегистрированные в РК (местные компании) могут поставлять материалы только на условиях поставки DDP;
- **Delivery location (Место доставки)** - необходимо заполнить это поле при выборе таких условий поставки, как EXW и FCA. Местом доставки может быть любое место по всему миру. Для условий поставки DAP и DDP место доставки автоматически заполняется согласно требованиям НКОК. При выборе условий DDP убедитесь, что вы отметили галочкой специальную ячейку, если вы производите эти товары (материалы) в РК.
- **Примечания** - могут содержать любую информацию, как «возможна частичная доставка в более короткие сроки» или «товарный код устарел» и т.д.

Наведите курсор к вопросительному знаку (?) рядом с названием поля, чтобы получить больше информации по заполнению каждого поля. Как только все поля будут заполнены нажмите кнопку «OK» для перехода к следующему этапу.

Отправить заполненную информацию НКОК

На следующей странице вы увидите выбранные вами позиции, которые готовы к предоставлению НКОК с информацией, указанной на предыдущей странице.

Вы можете нажать кнопку «**Submit information to NCOC**» (Отправить информацию НКОК) или продолжить обзор других материалов и добавить новые в список, который вы намерены представить на рассмотрение НКОК.
